

Migrant Health Center, Inc.

PATIENT INFORMATION

Migrant Health Center, Inc. is a non-profit Corporation and FQHC that receives federal funds through 330 (e) (g) (h) Act of the Congress and Ryan White Part C. The Center provides the patient with the opportunity to qualify to receive a discount for services depending in their household component. This benefit does not apply to persons with income higher than 200% and 300% for Ryan White following the federal poverty guidelines and their family size.

Before receiving service, the person has to present the following mandatory documents to receive their services:

- **Proof of residency (telephone, electricity, water, cable TV stub)**
- **Unemployment stub**
- **Copy of any government benefits (food stamps)**
- **Certification of income (affidavit)**
- **Certification of income (with letterhead or company logo)**
- **Copy of check of any other benefit received**

The potential clients have to provide the documents requested or have to pay the complete cost of the service rendered.

- **Be prepared to pay additional cost in case of referral services.**
- **Have to notify change in their income to adjust their scale.**
- **It is required to reevaluate their sliding fee every 12 months.**
- **If your sliding fee expired you have to pay full charge.**
- **The level of discounts depends on the household size and income minus payment for child support.**
- **If you have received services, you have to submit your documents before 30 days, if not you have to pay full charge.**
